Technical Specifications

Outer Material	Breathable Polyester Mesh Fabric
Inner Shell	High-Density ABS
Inner Insert	Shock Absorption EVA Insert
Shape	Ergonomic ABS Shell
Head Hoop	Comfortable Foam Headband
Band	Velcro Closure
Color Available	Navy Blue/ Black/ Orange/ Green
Upgrade Option	Reflective Strips

Certifications & Standards

European Safety Standard

PPE Category II & EN 812:2012

Performance Notes

- Impact Protection:** Designed to reduce injuries from minor bumps and scrapes.
- Comfortable Fit:** Lightweight design with adjustable Velcro closure.
- Breathable Design:** Mesh fabric enhances airflow for all-day comfort.

High-Density ABS Shell
Effectively disperse
the impact force

Reflective Design
Enhance the warning effect
in low-light environments

Shock Absorption Padding
Soft fiber tape with buffer structure
to add comfort level & absorb shock

Recommended Applications:

Construction

Manufacturing

Warehousing

Maintenance

Grinding
